### Description

2021 Kaufman Trailers 8k GVW 18' Tandem Landscape Utility Trailer

#### Standard Tandem Utility Trailers

Standard Tandem Utility Trailers come with two braking axles, Castle Rock radial tires, and a heavy duty frame with 3--3 angle top rails. The following value-added feature upgrades are included.

- 1) an all-tubing tailboard with rubber mounted sealed beam lights - this protects the lights and wiring.
- 2) a full width spring assist 4 landscape gate and dovetail - the effort to lower and raise the gate is considerably reduced. The dovetail improves the loading angle
- 3) steps on the fenders
- 4) reflective tape.
