Kaufman's Standard Landscape Utility Trailer 10000 GVWR model features a 3x3x3/16 angle mainframe and top rails with 3" channel cross members. The 5" channel wrap around tongue has an adjustable 2 5/16 coupler. Standard features include 5,200 lb. axles with D range radial tires, 7K drop foot jack, stake pocket tie downs, and heavy duty diamond plate

fenders, as well as an upgrade to the 20' length. The rubber mounted sealed beam lights are fully enclosed in a tubing tailboard.

Kaufman Standard Utility Trailers are an industry leader and great value. Each includes a wrap around channel tongue, four wheel brakes, treated flooring, new wheels and tires, and dovetail. The sealed beam lights are enclosed in a tubing tailboard. A spring assist gate is standard on all tandem landscape utility trailer models.
