Description

2022 Kaufman Trailers 76"x12' 2990 lb gvw Utility Trailer

Kaufman's Standard Single Axle Utility Trailers feature an upgraded heavy duty frame over the Basic series. There are many standard features that make this trailer series an outstanding value. Spring assist is standard on the full width landscape gate. The sealed beam rubber mounted lights are mounted in an enclosed tubular tailboard which protects the lights and wiring. Steps on the front of the fenders make it easy to step into the trailer and are an additional feature on every Standard utility trailer. All of these qualities make Kaufman Standard Single Axle Utility Trailers an outstanding value in today's trailer market! This trailer is great for hauling your lawn mower or four-wheeler. Treated flooring and new wheels with new trailer rated radial tires are standard equipment
